Many thanks for your letter of 7 May which you were so thoughtful to send me.

I very much appreciate your kind expression of support especially coming at this particular time. Also, it was good of you to offer to help us and I shall indeed keep this in mind.

Clover joins me in sending best wishes,

Sincerely,

Dear Allen.

Just wanted to tell you that
I have been thinking about
you a lot since the fireworks
started up again. I will
hardly tell you that you
have my unqualified support
(quite worthles in this exercise, to
be sure!) as you have that of
all those who worked with
you before. It is in the nature
of your business to be sniped

at outrageous rates without being
able to defend your self; but

This time the ignorant
antics have gone dangerously
overboard, doubtless and even
obviously for purpose, of their
own little (or big) empire, and
not for the interests of the USA.

I do wish there were
more I could do than
just have this little chat
with you. If there is any
conceivable thing I can
do to help you - or our common
cause - just summon me
and I will be there.

My warmest regards to Gloria
and yours truly
Henry Hyde
